2.1.Octroi The estimates under this head include the anticipated revenue from the marginally noted articles proposed to be subjected to Octroi in Tumkur, Gubbi and Turvekere. The proposed extension of duty in the first two towns to the articles specified, except sheep and goats having been sanctioned by Government in their Pro.No.16677-8/L.F.73-95 and No 16675-6/L.F.73-95 dated 12th April 1902 , the new estimates proposed will be passed and that entered under "Sheep and goats" transferred to "VII Rents (d) Markets" under which the item used to appear hitherto. But as Govt: declined to sanction the introduction of the duty into Turuvekere the new estimate provided in the budget of the town will be disallowed.

The variations under cloth in Tumkur and in Chiknayakanhalli are based on actuals. The estimates are passed.

4.Honnavalli House tax	662	790
5.Honnalagere House tax	502	464

3. 11.Tax on houses and Mohatarfa. The increase in the estimates under "House and Shop taxes" in Maddagiri is due to the taxes having been revised in the town, while the decrease under "Cart and House taxes" in Tumkur and Korte-rere respectively and increase under "House

tax

tax in Chikknayakanahalli and Honnavali are stated to be based on the Jamabandi figures. The estimates are approved

4. VIII Rents- C Markets. The large decrease in the estimate under this head in the budget of Tumkur is explained to be due to the Revenue (Rs 400) from tax on "Sheep and goats" having been transferred to the head "1. Octroi Class II Sheep and goats" but the estimate proposed under the latter head is only Rs.360/ and the amount hitherto shown under this head represents the income from ~~fee from~~ slaughter house fees ~~animals.~~ The President is therefore requested to explain this difference and the reason for the proposed transfer, and to state whether the actuals of 1900-01 (Rs.678) and the sanctioned estimates for 1901-02 (Rs.600) included receipts from fees on sheep and goats. Pending information, the estimate under this head will be raised by Rs.360.

5. X Miscellaneous (a) Sale of houses and Lands. The Municipal Board of Tumkur expect a large increase from sale of sites in the Southern Extension of the town out of the lands acquired for the purpose. The estimate is approved.

6. Opening balance. It is observed that no opening balance is entered in the budget of Tumkur, while balances shown against certain other Municipalities

7.11 Head Office. The budget of Honnavalli provides a new item of Rs.6 on account of contingencies of the Vice President's office. The necessity for ~~the same~~ this should be explained. Pending information, the provision will stand.

8.111.Collection (a) Octroi. The budgets of Tumkur ~~and~~, Gubbi ~~as also~~ and Turvekere provide for the marginally noted increases on account of establishments for collection of Octroi duties. As the introduction of Octroi into the Municipality of Turvekere was not sanctioned by Govt:, the provision made for the charge of collection in the town will be struck out The other items are in accordance with Pro.Nos.16677-8/L.F.73-95 and 16675-6/L.F.73-95dated 12th April 1902 and are passed.

9.111.Collection (b) House and Mohatarfa taxes. No provision has been ~~made~~ entered in the budgets of Kunigal and Huliyurdurga for the collection of House and Mohatarfa taxes while the percentage of charges pro-

ose

proposed in other Municipalities ranges between 3.4 in Tumkur and 5.9 in Kortagere. In regard to Kunigal and Huliyurdurga, it should be explained whether Mohatarfa collections were taken into account in fixing Pakka Potgi in these towns The provisions made in the remaining Municipalities will be modified in accordance with the scale laid down in Pro.No.12704-13/L.F.295-96 dated 8th May 1899 and the President will be requested to state whether in Tumkur, Gubbi, Tiptur, Chiknayakanhalli, Sira and Madda giri, separate hands may not be employed on Rs.7 or 8 per mensem for collecting these taxes instead of entrusting the work to village officials.

10. IV.Conservancy. It is proposed to employ 4 additional scavengers in Tumkur for the removal of night soil in the town and a peon for Kyatasandra Municipality. These provisions as well as those made for the purchase of dust bins or wheel barrows in certain other Municipalities in the District are passed. In the budget statement No.111 of Kadaba, the total amount under this head sanctioned for 1901-02 is given as 432, whereas in statement No.1, the correct figure , 346 is entered. The necessary correction will be made in the budget.

Tumkur-Scavengers 4 at Rs.7----------336

Kyatasandra-Peon on Rs.6---------- 72

11. VIII Public Works. It is observed that in budget statement No.11 showing details for works to be executed in the Maddagiri Municipality, a sum of Rs.40 is

is provided for repairing a well, whereas the same is omitted in statement No.1 and that the correct total of details given in statement No.ii is Rs.840 and not Rs.800, as erroneously entered therein. The former figure will be adopted in the budget, the provision for (a) supervision being raised from Rs.80 to Rs.84. The ~~correct~~ amount of supervision charges sanctioned for Holavanahalli for 1901-02 should be Rs.10 and not Rs.5, as erroneously entered therein. The ~~necessary~~ correction will be made in the Budget statement.

12.XI.Miscellaneous. In the budget form No.iii of the Tiptur Municipality a sum of Rs.30 is entered on account of "other items," whereas the same is omitted in budget form 1, though the same is included in the total given therein. The omission will be supplied retaining the total estimate under this head at Rs.150.

13. The other items call for no remarks and are passed.

14. The budget estimates of receipts and expenditure of the several Murici-palities in the Tumkur District for 1902-1903 are sanctioned as shown

below

below. The usual particulars are given in the accompanying appendices.

From the above it appears that the closing balance is less than the pres-cribed minimum in the Municipalities of Kortagere, Maddagiri, Huliyar, Kunigal, Huliyardurga, Holavanahalli and Kyatasandra. Steps should be taken to maintain the working balance by effect-ing savings in the sanctioned allotments, if actual balances in favour of these Municipalities on 1st July 1902 are not in excess of the estimates adopted in these budgets.

RECEIPTS.

2. *I. Octroi.*—The estimates under this head include the anticipated revenue from the articles noted below, proposed to be subjected to Octroi in Tumkur, Gubbi and Turuvekere. The proposed extension of duty in the first two towns to the articles specified, except sheep and goats, having been sanctioned by Government in their Proceedings No. 16677-8—L. F. 73-95 and No. 16675-6—L. F. 73-95, dated 12th April 1902, the new estimates proposed will be passed and that entered under "Sheep and Goats" transferred to "VIII Rents (d) Markets", under which the items used to appear hitherto. But as Government declined to sanction the introduction of the duty into Turuvekere, the new estimate provided in the budget of the town will be disallowed :—

The variations under Cloth in Tumkur and in Chiknayakanhalli are based on past actual collections. The estimates are passed.

3. *II. Tax on Houses and VII. Mohatarfa.*—The increase in the estimates under "House and Shop taxes" in Maddagiri is due to the taxes having been revised in the town, while the decrease under "Cart and House taxes" in Tumkur and Koratagere respectively and increase under House tax in Chiknayakanhalli and Honnavalli are stated to be based on the jamabandi figures. The estimates are approved.

5. Koratagere—

4. *VIII. Rents—(c) Markets.*—The large decrease in the estimate under this head in the budget of Tumkur is explained to be due to the Revenue (Rs. 400) from tax on "Sheep and Goats" having been transferred to the head "I. Octroi—Class ii. Sheep and Goats", but the estimate proposed under the latter head is only Rs. 360 and the amount hitherto shown under this head represents the income from slaughter-house fees. The President is therefore requested to explain this difference and the reason for the proposed transfer, and to state whether the actuals of 1900-01 (Rs. 678) and the sanctioned estimates for 1901-02 (Rs. 600) included receipts from fees on sheep and goats. Pending information, the estimate under this head will be raised by Rs. 360.

5. *X. Miscellaneous—(a) Sale of Houses and Lands.*—The Municipal Board of Tumkur expect a large increase from sale of sites in the southern extension of the town out of the lands acquired for the purpose. The estimate is approved.

Local Boards Branch, Municipal Funds, dated 16th August 1902.

6. *Opening Balance.*—It is observed that no opening balance is entered in the budget of Tumkur, while balances shown against certain other Municipalities do not appear to be correct. 8. *III. Collections—(a) Octroi.*—The budgets of Tumkur, Gubbi and Turuvekere provide for the increases noted below on account of establishments for collection of Octroi duties. As the introduction of Octroi into the Municipality of Turuvekere was not sanctioned by Government, the provision made for the charge of collection in the town will be struck out. The other items are in accordance with Proceedings Nos. 16677-8—L. F. 73-95 and 16675-6—L. F. 73-95, dated 12th April 1902, and are passed :—

In regard to Kunigal and Huliyurdurga, it should be explained whether mohatarfa collections were taken into account in fixing Pakka Potgi in these towns. The provisions made in the remaining Municipalities will be modified in accordance with the scale laid down in Proceedings No. 12704-13—L. F. 295-96, dated 8th May 1899, and the President will be

requested to state whether in Tumkur, Gubbi, Tiptur, Chiknayakanhalli, Sira and Maddagiri separate hands may not be employed on Rs. 7 or Rs. 8 per mensem for collecting these taxes instead of entrusting the work to village officials :—

10. *IV. Conservancy.*—It is proposed to employ four additional scavengers in Tumkur for the removal of night-soil in the town and a peon for Kyatasandra Municipality. These provisions as well as those made for the purchase of dust-bins or wheel-barrows in certain other Municipalities in the district are passed. In the budget statement No. III of Kadaba, the total amount under this head sanctioned for 1901-02 is given as Rs. 432, whereas in statement No. I, the correct figure, Rs. 346 is entered. The necessary correction will be made in the budget.

Tumkur—
Scavengers 4 at Rs. 7=Rs. 336.
Kyatasandra—
Peon on Rs 6=Rs. 72

11. *VIII. Public Works.*—It is observed that in budget statement No. II showing details for works to be executed in the Maddagiri Municipality, a sum of Rs. 40 is provided for repairing a well, whereas the same is omitted in statement No. I and that the correct total of details given in statement No. II is Rs. 840 and not Rs. 800 as erroneously entered therein. The former figure will be adopted in the budget, the provision for (*a*) Supervision, being raised from Rs. 80 to Rs. 84. The amount of supervision charges sanctioned for Holavanahalli for 1901-02 should be Rs. 10 and not Rs. 5 as erroneously entered therein. This correction will be made in the budget statement.

12. *XI. Miscellaneous.*—In the budget form No. III of the Tiptur Municipality a sum of Rs. 30 is entered on account of "Other items," whereas the same is omitted in budget form I, though the same is included in the total given therein. The omission will be supplied, retaining the total estimate under this head at Rs. 150.

13. The other items call for no remarks and are passed.

Local Boards Branch, Municipal Funds, dated 16th August 1902.

14. The budget estimates of receipts and expenditure of the several Municipalities in the Tumkur District for 1902-03 are sanctioned as shown below. The usual particulars are given in the accompanying appendices :—

From the above it appears that the closing balance is less than the prescribed minimum in the Municipalities of Koratagere, Maddagiri, Huliyar, Kunigal, Huliyurdurga, Holavanahalli and Kyatasandra. Steps should be taken to maintain the working balance by effecting savings in the sanctioned allotments, if actual balances in favour of these Municipalities on 1st July 1902 are not in excess of the estimates adopted in these budgets.
